CHAPTER-00

Banned
broke zone
It should be around here somewhere. Let's look for it
It seems like someone came in here before

...
It's already the second floor, and it doesn't even look like it's here. I think we'll just have to forget about Ball.

Did it finally appear?
But that can't be...
Hey Shuya, you alone too. Is that a student from the College of Astrology?

Are you going to run?
I summon thee, the light that wanders in the distant and hazy beyond, if thou completeth to my call, my will, my law, then reply at once! Lend me your strength to defeat my enemies!
How could a human master that type of art at last only at this level? Not even Shura could do it...
Watch out, Shura!
whoosh

Move to the side.
Efx: boom

Is she done talking? She's so shameless
Alkalm, I'll never for- -give you. Just re- -member to be careful.
You're the one that we should be worrying about
The great Wanderer who exists in the bright void. If that's spoken by my will, my law, then reply at once! I offer these nothingness in my soul to thee for thy omnipresent and eternal witness!

The shackles of time, unlock!
Drip
Drip
...
Aikelin, be careful of this person! He doesn't need to chant to activate his magic!
WTF! This spell again?!

Hm?

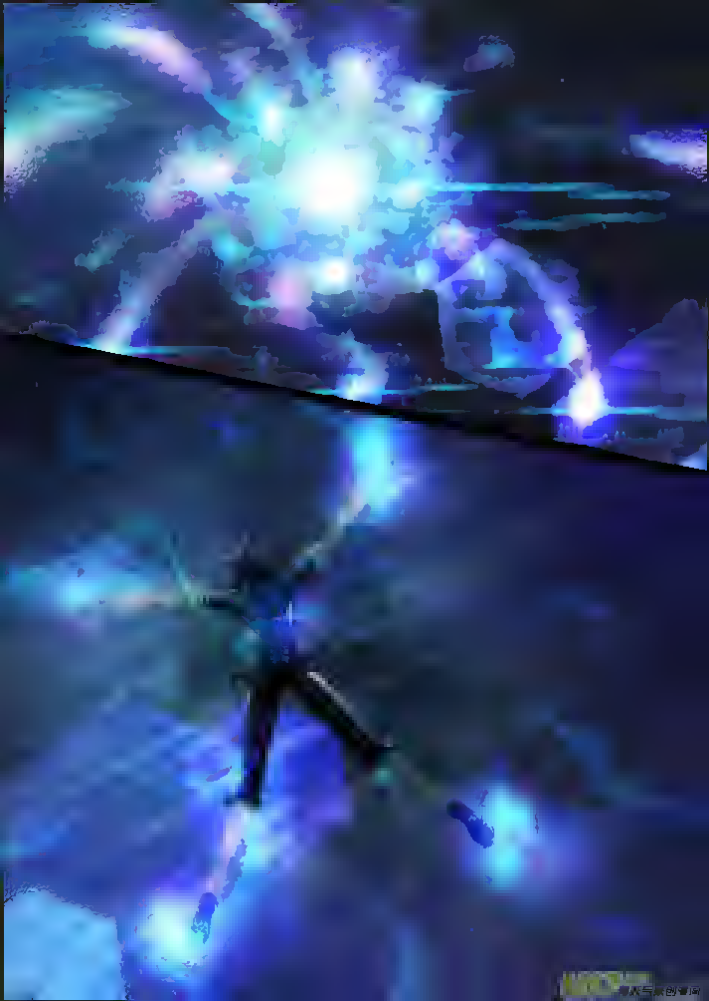
What
What is this
Feeling? It just
can't be
Hng
the transformation

Miss, you chased me all the way here, huh?
Heh, this will hurt quite a bit
HOLY SHIT!!!

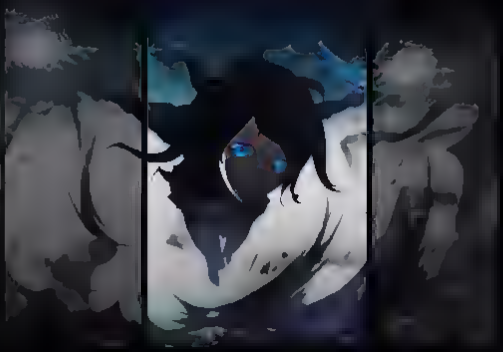
Thesa two idiots, haha.
Shuray the bastard can also control the gravitational field!
It's okay, you should be careful!
Shit! Is he actually going to force me into using more of my powers?!

Ten million stars have
fallen from the sky onto
the mortal world. In order
to transform into prayers
and wishes in times of en-
lightenment. Let the enchant-
ment of heavens quietly sink
For the one who fulfills
wishes with me

Hey cutie! I just started playing with you, and I'm already thinking I'm crazy to fall!
EXCITING!



Alkelm, do it now!
I get it!



Sorry

Dear Readers

These happy times went by so fast, and now it's time to say goodbye

During this period, I was very lucky to meet the screenwriter Tangka, because this partner of mines took care of me till the end

For the next update, I'll be revealing more of the character designs, settings, and worldviews This chapter was drawn a bit carelessly, so the characters all look a bit wonky I hope that everyone won't be turned off by it! Tangka's script is really amazing

The quality of the art in Phantasy Harem will become much more luxurious! I definitely won't let everyone down even though I still have to work hard on the story board, I will definitely be more diligent with the drawing In order to make a high quality product, I'll be using all my blood, sweat, and tears to draw this manhua!
